Public Benefit

South Essex College is an exempt charity under the Part 3 of the Charities Act 2011 and following the Machinery of Government changes in July 2016 is regulated by the Secretary of State for Education. The members of the Governing Body, who are trustees of the charity, are disclosed on page 16.

In setting and reviewing the College's strategic objectives, the Governing Body has had due regard for the Charity Commission's guidance on public benefit and particularly upon its supplementary guidance on the advancement of education. The guidance sets out the requirement that all organisations wishing to be recognised as charities must demonstrate, explicitly, that their aims are for the public benefit.

In delivering its mission, the College provides the following identifiable public benefits through the advancement of education:

- High-quality teaching
- Widening participation and tackling social exclusion
- Excellent employment record for students
- Strong student support systems
- Links with employers, industry and commerce
- Links with Local Enterprise Partnerships (LEPs)
